Reference herein to "Public Rights-of-Way" shall not be construed to be a representation or guarantee by the City that its property rights are sufficient to permit its use for any purpose, or that the Licensee shall gain or be permitted to exercise any rights to use property in the City greater than those already possessed by the City or which is inconsistent with the purposes for which it was taken, purchased and/or dedicated. This License grants no authority for the Licensee to use the Public Rights-of-Way within the City for any other purpose unless otherwise provided herein. However, nothing in this License shall be construed to prohibit the Licensee from offering any service over the Cable System that is not prohibited by federal or State law provided that any requirements for City authorization or permitting not inconsistent with federal and State law are satisfied. The Licensee's FTTP Network in the Public Rights-of-Way, which the Licensee has upgraded under its Title II authority, is subject to M.G.L. c. 166. The Licensee shall adhere to all applicable City ordinances and lawful regulations of the City regarding rights-of-way and public works matters, including rights-of-way management requirements with regard to public safety and other legitimate municipal concerns. Nothing in this Section 2.1 shall be deemed to prohibit the right of the Licensee to challenge the legality of such a City ordinance or regulation. The jurisdiction of the City over such Telecommunications Facilities is restricted by federal and State law, and the City does not assert jurisdiction over the Licensee's FTTP Network in contravention of those limitations. Therefore, the Issuing Authority's regulatory authority under Title VI is not applicable to the construction, installation, maintenance or operation of the FTTP Network to the extent the FTTP Network is constructed, installed, maintained and operated for the purpose of upgrading and/or extending Verizon's existing Telecommunications Facilities for the provision of Non-Cable Services.

2.3. *Term:* This License shall become effective on August 3, 2023 (the "Effective Date"). The term of this License shall be five (5) years from the Effective Date unless this License is earlier revoked or terminated as provided herein.

2.4. *Termination Generally:* Notwithstanding any provision herein to the contrary, Licensee may terminate this License upon two hundred seventy (270) days' written notice to the Issuing Authority. Licensee shall not provide the notice of termination sooner than the beginning of the 28th month following the Effective Date.

2.5. *Modification/Termination Based on VSP Requirements:*

2.5.1. If the Issuing Authority enters into any cable franchise, cable license or similar agreement with a VSP to provide Video Programming services to residential subscribers in the City with terms or conditions materially less burdensome than those imposed by this License, Licensee and the Issuing Authority shall, within sixty (60) days of the Issuing Authority's receipt of Licensee's written notice thereof, commence negotiations to modify this License to provide that this License is not on terms or conditions materially more burdensome than the terms in any such cable franchise, cable license or similar agreement. Any modification of the License pursuant to the terms of this Section shall not trigger the requirements of 207 CMR 3.07. The PEG Access Support, as provided in Section 5.4, will not be subject to modification under this Section 2.5.1 or 2.5.2.

2.5.2. Licensee's notice pursuant to Section 2.5.1 shall specify the cable franchise, cable license or similar agreement and the materially less burdensome terms or conditions as set out in Section 2.5.1 above. Licensee shall respond to reasonable information requests from the City, as may be necessary to review the same.

2.5.3. In the event the parties do not, subject to the criteria above, reach mutually acceptable agreement on a modification as set out above, Licensee shall in its sole discretion, have the option of exercising any of the following actions:

a. commencing License renewal proceedings in accordance with 47 U.S.C. 546 with the License term being accelerated, thus being deemed to expire thirty-six (36) months from the date of Licensee's written notice to seek relief hereunder;

b. terminating the License in no less than thirty-six (36) months from written notice to the Issuing Authority;

c. if agreed by both parties, submitting the matter to commercial arbitration by a mutually-selected arbitrator in accordance with the rules of the American Arbitration Association; or

d. if agreed to by both parties, submitting the matter to mediation by a mutually-acceptable mediator.

2.5.4. Modification of the PEG Access Support under this License shall, as applicable, be in accordance with the terms and conditions set forth in Section 5.4 hereunder. As stated above, PEG Access Support is not subject to modification under Section 2.5.1.

2.6. *Grant Not Exclusive:* This License and the rights granted herein to use and occupy the Public Rights-of-Way to provide Cable Services shall not be exclusive, and the Issuing Authority reserves the right to grant other licenses for similar uses or for other uses of the Public Rights-of-Way, or any portions thereof, to any Person, or to make any such use themselves, at any time during the term of this License. Any such rights shall not be in conflict with the authority as granted by this License. Disputes between the Licensee and other parties regarding the use of the

Public Rights-of-Way shall be resolved in accordance with applicable law.

2.7. *License Subject to Federal and State Law/Preemption:* This License is subject to and shall be governed by all applicable provisions of federal and State law and regulations as they may be amended, including but not limited to the Communications Act and the Massachusetts Cable Law. In the event that federal or State law, rules, or regulations preempt a provision or limit the enforceability of a provision of this License, the provision shall be read to be preempted to the extent, and for the time, but only to the extent and for the time, required by law. In the event such federal or State law, rule or regulation is subsequently repealed, rescinded, amended or otherwise changed so that the provision hereof that had been preempted is no longer preempted, such provision shall return to full force and effect, and shall thereafter be binding on the parties hereto, without the requirement of further action on the part of the parties hereto.

2.8. *No Waiver:*

2.8.1. The failure of the Issuing Authority on one or more occasions to exercise a right or to require compliance or performance under this License, the Massachusetts Cable Law or any other applicable law, ordinance or lawful regulation shall not be deemed to constitute a waiver of such right or a waiver of compliance or performance by the Issuing Authority, nor to excuse Licensee from complying or performing, unless such right or such compliance or performance has been specifically waived in writing by the Issuing Authority.

2.8.2. The failure of the Licensee on one or more occasions to exercise a right under this License or applicable law, or to require performance under this License, shall not be deemed to constitute a waiver of such right or of performance of this License, nor shall it excuse the Issuing Authority from performance, unless such right or performance has been specifically waived in writing by the Licensee.

2.9. *Construction of License:*

2.9.1. The provisions of this License shall be construed to effectuate their objectives.

2.9.2. Nothing herein shall be construed to limit the scope or applicability of Section 625 of the Communications Act, 47 U.S.C. § 545.

2.9.3. Should any change to local ordinances, rules or regulations cause the Licensee's provision of Cable Services in the City to be commercially impracticable, then the parties shall modify this License to the mutual satisfaction of both parties to ameliorate such commercial impracticability. If the parties cannot reach agreement on the above-referenced modification to this License, then, at the Licensee's option the parties shall submit the matter to binding arbitration.

2.10. *Police Powers:* Nothing in this License shall be construed to prohibit the reasonable, necessary and lawful exercise of the City's police powers. However, if the reasonable, necessary and lawful exercise of the City's police powers causes the Licensee's provision of Cable Services in the City to be commercially impracticable, then the parties shall modify this License

to the mutual satisfaction of both parties to ameliorate such commercial impracticability. If the parties cannot reach agreement on the above-referenced modification to this License, then, at the Licensee's option, the parties shall submit the matter to binding arbitration.

2.11. *Compliance with Federal and State Privacy Laws:* Licensee shall comply with the privacy provisions of Section 631 of the Communications Act and all other applicable federal and State privacy laws and regulations. The parties agree that, during the term hereof, Licensee shall not be subject to any local laws or bylaws which conflict with such applicable federal and/or State privacy laws, or which would impose additional or distinct requirements upon Licensee with respect to Subscriber privacy other than those which are expressly set forth in applicable federal and/or State privacy laws.

3. PROVISION OF CABLE SERVICE

3.1. *Service Area:* Subject to the issuance of all necessary permits by the City, the Licensee shall continue to offer Cable Service to all residential households in the Service Area, except: (A) for periods of Force Majeure; (B) for periods of delay caused by the City; (C) for periods of delay resulting from Licensee's inability to obtain authority to access rights-of-way in the City; (D) in developments or buildings that are subject to claimed exclusive arrangements with other cable providers; (E) in developments, buildings or other residential dwelling units that Licensee cannot obtain permission to access under reasonable terms and conditions after good faith negotiation, as determined in good faith by Licensee; and (F) in developments, buildings or other residential dwelling units where the Licensee is unable to provide Cable Service for technical reasons or which require non-standard facilities which are not available on a commercially reasonable basis or where the Licensee determines, in good faith, that providing such service is not commercially reasonable.

3.2. *Availability of Cable Service and Standard Drops:* Licensee shall make Cable Service available to all residential dwelling units within the City in conformance with Section 3.1, and Licensee shall not discriminate between or among any individuals in the availability of Cable Service. In the areas in which Licensee provides Cable Service, the Licensee shall be required to connect, at Licensee's expense other than a standard installation charge, all residential dwelling units that are within one hundred fifty (150) feet of trunk or feeder lines not otherwise already served by Licensee's FTTP Network. Where a residential Subscriber connection exceeds such lengths, the Licensee shall be allowed to recover from such Subscriber the actual cost of connection attributable to the distance in excess of the length above.

3.3. *Availability of Cable Service To Businesses:* The Licensee may make Cable Service available to businesses. The Licensee may recover the actual cost incurred to connect any business to the Cable System for the provision of Cable Service.

The current list of public buildings is set forth in **Exhibit A**. The parties hereto agree that the exercise of any conditional obligations set forth in this Section shall not constitute a modification or amendment of the License within the meaning of 207 CMR 3.07.

4. SYSTEM FACILITIES

4.1. *System Characteristics:* Licensee's Cable System shall meet or exceed the following requirements and/or have at least the following characteristics:

4.1.1. The Cable System shall be operated with a digital carrier passband of between 50 and 860 MHz.

The Issuing Authority or the PEG Access Designee may subsequently change the programming on the HD PEG Access Channel from an HD simulcast of an existing SD PEG Access Channel to distinct programming, upon one hundred (100) days prior written notice from the Issuing Authority to the Licensee, which change shall not occur more than once during the License term. Only to the extent permitted by law, the Licensee

The Licensee shall continue to connect to equipment owned by the City and/or the PEG Access Designee at the WMCT Studio located at 91 Main Street, Marlborough, MA (the "PEG Interconnection Site"). The Issuing Authority or, if designated by the Issuing Authority in writing to Licensee, the City's PEG Access Designee, shall be required to pay Licensee for all direct or reasonably related costs associated with: (i) any equipment upgrade where the need for the upgrade is initiated by the Issuing Authority or PEG Access Designee; (ii) relocating any connection where the need for relocation is initiated by the Issuing Authority or the PEG Access Designee; (iii) re-installing and/or replacing any connection at an existing location where the need for such re-installation and/or replacement is caused by the City or the PEG Access Designee and initiated by the Issuing Authority or the PEG Access Designee; or (iv) installing any new connection if initiated by the Issuing Authority or the PEG Access Designee; provided, however, that Issuing Authority and/or PEG Access Designee responsibility for the foregoing costs is subject to Licensee's prior disclosure of such costs and prior express written consent to same by the Issuing Authority or the PEG Access Designee. Any upgrade or change referenced in subsections (i) and (iv) above required in order for PEG Access Channel cablecasting or PEG Access Channel programming as provided to Subscribers to meet a requirement of applicable law or regulation, including with respect to video or audio quality, shall not be deemed to be "initiated" by the Issuing Authority or the PEG Access Designee.

5.2.2. The demarcation point between the Licensee's signal processing equipment (which the Licensee shall own, install and maintain) and the City's and/or PEG Access Designee's PEG access equipment shall be at the output of the City's and/or PEG Access

Designee's signal processing equipment at the PEG Interconnection Site. The City and/or the PEG Access Designee shall be solely responsible for operating its switching equipment and the picture and audio quality of all PEG Access Programming up to the demarcation point and for providing that all PEG Access Programming is inserted on the appropriate upstream PEG Access Channel. All PEG Access Programming shall be transmitted to the Licensee in baseband, SD-SDI or HD-SDI format with either mono or stereo audio signals, and with signals received by Licensee in stereo cablecast by Licensee in stereo. Notwithstanding the foregoing, the Licensee shall not be obligated to provide the City or the PEG Access Designee with either cablecast equipment and facilities or the personnel responsible for maintaining and operating equipment and facilities on the City's side of the demarcation point and used to generate or administer any PEG Access signals, except as necessary to implement the Licensee's responsibilities specified herein. The Issuing Authority and the Licensee shall work together in good faith to resolve any connection issues.

5.2.3. The Licensee shall provide, install, maintain, repair and replace all equipment necessary to receive and transmit all such PEG programming and all PEG Access Channels as described in Section 5.2.1 above to Subscribers, including any amplification, optical conversion, receiving, cable system headend, processing, and transmitting equipment needed.

5.2.4. The Licensee shall monitor the PEG Access Channels for technical quality and shall ensure that they are maintained at standards the same or better than those which apply to the Cable System's commercial channels of similar format and resolution, provided, however, that the Licensee is not responsible for the production quality of PEG Access Programming productions, nor for any deficiencies in the source signal it receives from any party over which the Licensee has no control.

5.3. *PEG Grant:* Licensee shall pay to the Issuing Authority, or to the PEG Access Designee if requested in writing by the Issuing Authority, a PEG grant in the total amount of Two Hundred Thirty-Two Thousand Five Hundred Dollars (\$232,500.00) to be used for PEG Access Channel capital funding purposes (the "PEG Grant"), as follows:

5.3.1. Within forty-five days of the Effective Date, Licensee shall pay to the Issuing Authority the sum of Seventy-Seven Thousand Five Hundred Dollars (\$77,500.00). Licensee shall make two (2) additional payments to the Issuing Authority in the amount of Seventy-Seven Thousand Five Hundred Dollars (\$77,500.00) each on the first and second anniversaries of the Effective Date, respectively. The Issuing Authority and/or PEG Access Designee shall own all facilities and equipment purchased with the PEG Grant. The Licensee shall have no obligation to maintain, repair, replace or insure any equipment or facilities purchased with the PEG Grant.

5.3.2. Licensee shall be allowed to submit or correct any payments that were incorrectly omitted, and shall be refunded any payments that were incorrectly submitted, in connection with the PEG Grant remittances within ninety (90) days following the PEG Grant payment date for which such payments were applicable. Any such refund shall be requested in writing by Licensee and shall include an itemized account of the basis of the refund requested. The PEG Grant shall not be counted against either the PEG Access Support payment required by

Section 5.4, or any License Fee required by Section 6.1.

5.4. PEG Access Support:

5.4.1. The Licensee shall provide annual funding to the Issuing Authority for PEG Access Channel operating support or other PEG Access Channel costs and expenses (“PEG Access Support”) in the amount equal to four and eight hundred twenty-five one-thousandths percent (4.825%) of annual Gross Revenue as defined above, subject to the limitation in Section 6.2; however, if the City issues or renews any cable license after the Effective Date that provides for a lower or higher percentage of PEG Access Support, then the Licensee’s percentage of PEG Access Support payments shall be reduced or increased, as the case may be, to match such lower percentage over that same time period. The Issuing Authority shall place Licensee’s PEG Access Support payments in a restricted account for cable related purposes in the nature of a grant account and not into the general fund, which account will be under the Issuing Authority’s control.

5.4.2. The PEG Access Support payments shall be made no later than forty-five (45) days following the end of each calendar quarter. Each such quarterly payment shall be accompanied by a Gross Revenue report documenting, in reasonable detail, the Gross Revenue as defined above. The Licensee shall be allowed to provide an extra payment if needed to correct any payments that were incorrectly omitted, and shall have the right to offset against future payments any payments that were incorrectly submitted, in connection with the quarterly remittances, within ninety (90) days following the close of the calendar quarter for which such payments were applicable. For purposes of the PEG Access Support payment, the period for determining Gross Revenues shall be the preceding calendar quarter.

5.4.3. In no case shall said four and eight hundred twenty-five one-thousandths percent (4.825%) payments include: (i) the PEG Grant; (ii) costs of PEG Access Channel, interconnection and cablecasting obligations required by Sections 5.1 and 5.2 above; or (iii) any other fees or payments required by applicable law, except as provided in Section 6.2, below; provided however, that said four and eight hundred twenty-five one-thousandths percent (4.825%) payments shall be a Franchise Fee, and subject to the five percent (5%) cap on Franchise Fees pursuant to Section 622(h) of the Communications Act (47 U.S.C. §542(b)).

5.5. *PEG Operational Rules:* The Issuing Authority and/or the PEG Access Designee shall require all local producers and users of any of the PEG facilities or PEG Channels to agree in writing to authorize the Licensee to transmit programming consistent with this License. The Issuing Authority or its designee shall establish rules and regulations for use of PEG facilities consistent with, and as required by, Section 611 of the Communications Act (47 U.S.C. § 531).

5.6. *Recovery of Costs:* To the extent permitted by federal law and regulations, the Licensee shall be allowed to recover from Subscribers the costs of the PEG Grant, costs of PEG interconnection, the PEG Access Support payments, and any other costs arising from the provision of PEG services and related payments required by this License, and to accurately reflect such costs as separately billed line items on each Subscriber’s bill.

5.7. *Late Payments:* In the event that the PEG Grant, the PEG Access Support or the License Fee is not paid on or before the due date set forth in this License for such payment, then interest shall accrue from the due date until the date paid at the rate equal to 2% above the Prime Rate, as published in the *Wall Street Journal*.

5.8. *Listing of PEG Access Channels On Licensee's Electronic Program Guide:* If the Licensee lists PEG Access Channel program content titles on its electronic program guide in any other municipality in the State (other than on a test or trial basis), then it shall, upon written request of the Issuing Authority, discuss with the Issuing Authority or the PEG Access Designee, the technical feasibility and commercial reasonability of listing the City's PEG Access Channel program content titles on the Licensee's electronic program guide and the provision thereof by the Licensee; however, the Licensee shall not be required by this Section to list the City's PEG Access Channel program content titles on its electronic program guide.

5.9. *PEG Access Video-On-Demand:* If the Licensee provides any other municipality in the State with PEG Access Channel programming "video-on-demand" (VOD) (other than on a test or trial basis), then it shall, upon written request of the Issuing Authority, discuss with the Issuing Authority, the technical feasibility and commercial reasonability of providing, and the provision of, PEG Access Channel programming VOD in the City; however, the Licensee shall not be required by this Section to provide PEG Access Channel programming VOD in the City.

5.10. *Censorship:* Subject to Section 611(e) of the Communications Act (47 U.S.C. §531(e)), the Licensee shall comply with applicable federal laws restricting censorship or control of the content of PEG Access Programming over the Cable System.

5.11. *Non-Commercial Programming:* The Issuing Authority and PEG Access Designee shall not use the PEG Access Channels to provide for-profit commercial programming. Nothing in this Section shall prohibit the Issuing Authority or the PEG Access Designee from having memberships, sponsorships, underwriting or acknowledgements (such as underwriting and acknowledgements accepted by PBS), to the extent not otherwise prohibited by applicable law and regulation.

5.12. *Leased Access:* The Licensee shall comply with Section 612 of the Communications Act (47 U.S.C. §532) with respect to designating channel capacity for commercial use.

5.13. *No PEG Access Designee Rights:* The Issuing Authority and the Licensee herein acknowledge and agree that any PEG Access Designee is not a party to this License and that any provisions herein that may affect a PEG Access Designee are not intended to create any rights on behalf of any PEG Access Designee.

6. FRANCHISE AND LICENSE FEES

6.1. *License Fee:* Pursuant to Massachusetts Cable Law, (M.G.L. c. 166A, Section 9), the Licensee shall pay to the City, throughout the term of this License, a license fee

equal to fifty cents (\$.50) per Subscriber per year (the “License Fee”), or such other amount as may in the future be designated by applicable State law.

6.2. *Maximum Franchise Fee Obligation:* The Licensee shall not be liable for a total Franchise Fee, pursuant to this License and applicable law in excess of five percent (5%) of annual Gross Revenues (as defined above).

6.3. *Payment Information:* In determining the License Fee, the number of Subscribers shall be measured as of December 31st of the preceding calendar year. The License Fee shall be paid no later than March 15th of each year during the term of this License.

6.4. *Limitation on Actions:* The parties agree that the period of limitation for recovery of any payment obligation under this License shall be three (3) years from the date on which payment by Licensee is due.

6.5. *Method of Payment:* The PEG Grant, the PEG Access Support and the License Fee shall be made payable to the City and provided to the Issuing Authority, unless the Licensee is otherwise notified in writing by the Issuing Authority.

6.6. *Other Payment Obligations and Exclusions:*

6.6.1 Unless otherwise required by applicable law, the License Fee and Franchise Fee payments shall be in addition to and shall not constitute an offset or credit against any and all taxes or other fees or charges of general applicability which Licensee or any Affiliate shall be required to pay to the City, or to any State or federal agency or authority, as required herein or by law; the payment of said taxes, fees or charges shall not constitute a credit or offset against the License Fee or Franchise Fee payments all of which shall be separate and distinct obligations of the Licensee and each Affiliate.

6.6.2 In accordance with Section 622(h) of the Communications Act (47 U.S.C. §542(h)), nothing in the Communications Act or this License shall be construed to limit any authority of the Issuing Authority to impose a tax, fee or other assessment of any kind on any Person (other than the Licensee) with respect to Cable Service or other communications service provided by such Person over the Cable System for which charges are assessed to Subscribers but not received by the Licensee. For any twelve (12) month period, the fees paid by any such Person with respect to any such Cable Service or other communications service shall not exceed five percent (5%) of such Person’s gross revenues derived in such period from the provision of such service over the Cable System.

6.7. *Affiliates Use of System:* Use of the Cable System and the provision of Cable Services within the City by Affiliates shall be in compliance with applicable federal and State laws and regulations and this License.

6.8. *Recomputation and Audit:* Tender or acceptance of any payment made pursuant to Article 5 and/or 6 herein shall not be construed as an accord that the amount paid is correct, nor shall such acceptance of payment be construed as a release of any claim that the Issuing Authority may have for additional sums, including interest payable under Section 5.7 above. If

the Issuing Authority has reason to believe that any such payment is incorrect, it may notify the Licensee thereof in writing within one hundred eighty (180) days after receiving such payment. Licensee shall then have ninety (90) business days after receipt of such notice to provide the City with additional information documenting the accuracy of such payment. In the event that the Issuing Authority does not reasonably believe that such documentation supports the accuracy of such payment, then the Issuing Authority may conduct an audit of such payment, provided that the Issuing Authority shall be limited to one audit for any two (2) year period of this License or such shorter period of time that may remain after the expiration of the initial two (2) year period of this License, which audit shall be subject to Section 6.4 above. If, after such audit and recomputation, the Issuing Authority determines that an additional fee is owed to the City, then the Licensee shall be provided with a reasonable opportunity to review the results of such audit and to dispute any audit results, and shall pay any undisputed amounts within thirty (30) business days after completion of such review, together with any applicable late charges calculated pursuant to Section 5.7 above. The City shall have the right to pursue any disputed amount not paid by Licensee in accordance with the enforcement provisions set forth in Article 13 of this License.

7. CUSTOMER SERVICE

7.1. *Standards:* The Licensee shall comply with the FCC's cable television customer service and notice regulations codified at 47 C.F.R. § 76.309(c), 47 C.F.R. § 76.1602, and 47 C.F.R. § 76.1603, as amended, and the billing and termination of service provisions contained in 207 CMR § 10.00, as amended; provided, however, that Licensee may satisfy the requirements of 47 C.F.R. § 76.309(c)(1)(v) through its website and with a location reasonably convenient to the City that shall be open during normal business hours (which shall include at least one evening per week and/or some weekend hours) and accessible to Subscribers to make bill payments. Measurement of the telephone availability standards in 47 C.F.R. § 76.309(c)(1)(ii) shall include all calls received by the Licensee at all call centers receiving calls from Subscribers, whether they are answered by a live representative, by an automated attendant, or abandoned after thirty (30) seconds of call waiting.

7.2. *Outage Credits:* In the event that all Cable Service is interrupted for twenty-four (24) or more hours, Licensee will grant affected Subscribers a pro rata credit or rebate.

7.3. *Denial of Service:* Subject to applicable laws and regulations, nothing in these standards shall limit the right of the Licensee to deny Cable Service for non-payment of previously provided Cable Services, refusal to pay any required deposit, theft of Cable Service, damage to the Licensee's equipment, abusive and/or threatening behavior toward the Licensee's employees or representatives, refusal to provide credit history information or refusal to allow the Licensee to validate the identity, credit history and credit worthiness via an external credit agency, or failure to abide by the Licensee's terms and conditions of service.

8. REPORTS AND RECORDS AND PERFORMANCE EVALUATIONS

8.1. *Open Books and Records:* Upon no less than thirty (30) business days written notice to the Licensee, the Issuing Authority or its designated authorized representative(s) shall have the right to inspect Licensee's books and records, including all documents in whatever

form maintained, including electronic media, pertaining to the Cable System or the Licensee's provision of Cable Service in the City during Licensee's regular corporate business hours and on a nondisruptive basis at an office of Licensee in the State, as are reasonably necessary to ensure compliance with the terms of this License. Such notice shall specifically reference the purpose of the review, so that Licensee may organize the necessary books and records for appropriate access by the Issuing Authority or its representative(s). Licensee shall not be required to maintain any books and records for License compliance purposes longer than three (3) years, except if required by applicable law or regulation.

8.2. *Proprietary Books and Records:* If Licensee believes that the requested information is confidential and proprietary, the Licensee must provide the following documentation to the City: (i) specific identification of the information; (ii) a statement attesting to the reason(s) Licensee believes the information is confidential; and (iii) a statement that the documents are available at the Licensee's designated offices within the State for inspection by the City. The City shall take reasonable steps to protect the proprietary and confidential nature of any books, records, Service Area maps, plans, or other City-requested documents, consistent with applicable law, that are provided to the extent they are designated as such by Licensee in accordance herewith, including, without limitation, cooperating with the Licensee's exercise of its rights to protect its confidential information from public disclosure. In the event that the Issuing Authority receives a request to disclose any information provided to the Issuing Authority by the Licensee pursuant to this License, which information is deemed by the Licensee to be confidential or proprietary, then the Issuing Authority shall promptly notify the Licensee in writing of such request, prior to disclosure of such information, consistent with applicable law, and to maintain such information as confidential and proprietary consistent with applicable law.

8.3. *Privacy:* The Licensee shall take all reasonable steps required to ensure that it is able to provide the City with all information that must be provided or may be requested under this License or applicable law, including the issuance of appropriate Subscriber privacy notices. The Licensee shall be responsible for redacting any data that applicable law prevents it from providing to the City. Nothing in this Article 8 shall be read to require a Licensee to violate federal or State law protecting Subscriber privacy.

8.4. *Copying of Books and Records:* The City shall have the right to copy any such books and records, at the City's expense, except to the extent that the City's review as the Issuing Authority is prohibited pursuant to applicable law.

8.5. *Complete and Accurate Records:* The Licensee shall keep complete and accurate books of account and records of its business and operations under and in connection with the License. Unless otherwise provided in this License or by applicable law, all such materials and information shall be maintained for a period of three (3) years. Said records shall include, but not be limited to the following:

8.5.1. Records of all written complaints for a period of four (4) years after receipt by Licensee. The term "complaint" as used herein refers to complaints about any aspect of the Cable System or Licensee's cable operations, including, without limitation,

complaints about employee courtesy. Complaints recorded will not be limited to complaints requiring an employee service call;

8.5.2. Records of outages for a period of four (4) years after occurrence, indicating date, duration, area, and the number of Subscribers affected, type of outage, and cause;

8.5.3. Records of service calls for repair and maintenance for a period of four (4) years after resolution by Licensee, indicating the date and time service was required, the date of acknowledgment and date and time service was scheduled (if it was scheduled), and the date and time service was provided, and (if different) the date and time the problem was resolved;

8.5.4. Records of installation/reconnection and requests for service extension for a period of four (4) years after the request was fulfilled by Licensee, indicating the date of request, date of acknowledgment, and the date and time service was extended; and

8.5.5. A map showing the area of coverage for the provisioning of Cable Services.

8.6. *Additional Reports:* The Licensee shall, upon written request by the Issuing Authority, provide the Issuing Authority with a copy of any documents or forms filed by the Licensee with the FCC and/or the DTC that materially pertain to the Licensee's Cable System in the City.

8.7. *Proof of Performance Tests:* Upon written request of the Issuing Authority, the Licensee shall provide copies of proof of performance tests required by applicable law.

8.8. *Performance Evaluations:* The Licensee, if requested in writing by the Issuing Authority, shall attend a performance evaluation hearing no more than once per year. Nothing in this Section shall limit any rights that the Issuing Authority may have to conduct additional hearings and/or compel the Licensee's attendance at such hearing. The Issuing Authority shall provide Licensee with the results of its performance evaluation in writing within sixty (60) days after the conclusion of such hearing.

9. INSURANCE AND INDEMNIFICATION

9.1. *Insurance:*

9.1.1. Licensee shall maintain in full force and effect, at its own cost and expense (including all deductibles) during the term of this License, the following insurance coverage:

9.1.1.1. Commercial General Liability Insurance in the amount of six million dollars (\$6,000,000) per occurrence for property damage and bodily injury and six million dollars (\$6,000,000) general aggregate. Such insurance shall cover the construction, operation, maintenance and removal of the Cable System, and the conduct of

Licensee's Cable Service operations and business in the City.

9.1.1.2. Commercial Automobile Liability Insurance covering all owned, non-owned, hired and/or rented motor vehicles in the amount of two million dollars (\$2,000,000) combined single limit each accident for bodily injury and property damage coverage.

9.1.1.3. Workers' Compensation Insurance in compliance with the statutory requirements of the State(s) of operation and Employers' Liability Insurance in the following amounts: (A) \$100,000 Bodily Injury by Accident; (B) \$100,000 Bodily Injury by Disease-each employee; and \$500,000 disease-policy limit.

9.1.2. The City shall be included as an additional insured as their interests may appear under this License on the Commercial General Liability Insurance and Automobile Liability Insurance required herein.

9.1.3. Each of the required insurance policies shall be with insurers qualified to do business in the State of Massachusetts, with an A.M. Best Financial Strength rating of A- or better.

9.1.4. Licensee shall deliver to the Issuing Authority Certificates of Insurance showing evidence of the required coverage.

9.1.5. All insurance shall be primary with respect to any insurance maintained by the City and shall not call on the City's insurance for contribution.

9.1.6. The Licensee shall require that every one of its contractors and their subcontractors carry in full force and effect, substantially the same insurance with substantially the same amounts as required of Licensee herein.

9.1.7. Neither this Section 9.1, nor the provision of insurance or insurance proceeds pursuant to this Section 9.1, shall limit the liability of the Licensee or its obligation to indemnify the City pursuant to this License.

9.1.8. Upon receipt of notice from its insurers, the Licensee shall provide the Issuing Authority with thirty (30) days prior written notice of cancellation.

9.2. *Indemnification:*

9.2.1. The Licensee shall, at its sole cost and expense, indemnify, hold harmless and defend the Issuing Authority, the City, including its officials, boards, commissions, committees, agents and/or employees (hereinafter referred to as the "City" for purposes of this Section 9.2) against all claims for damage, including without limitation, damage to Persons or property, real and personal, suits, causes of action, proceedings and judgments, due to the actions of the Licensee, its employees, officers or agents arising out of the installation, maintenance and/or operation of the Cable System or the provision of Cable Services under this License. Indemnified expenses shall include all reasonable attorneys' fees and costs incurred by the City up to such time

that the Licensee assumes defense of any action hereunder. The Issuing Authority shall give the Licensee timely written notice of its obligation to indemnify, hold harmless and defend the City, provided that in any event the City shall provide the Licensee with such written notice within a period of time that allows the Licensee to take action to avoid entry of a default judgment and does not prejudice the Licensee's ability to defend the claim or action.

9.2.2. With respect to the Licensee's indemnification obligations set forth in Section 9.2.1, the Licensee shall, at its own expense, provide the defense of any claims, suits, causes of action or proceedings brought against the City by selecting counsel of Licensee's choice to defend the claim, subject to applicable professional ethics and responsibility laws and standards and the consent of the City, which consent shall not unreasonably be withheld. The Licensee shall, subject to the consent of the Issuing Authority as described herein, have the right to defend, settle or compromise any claim or action arising hereunder, and the Licensee shall have the authority to decide the appropriateness and amount of any such settlement, so long as the settlement includes a full release of the City with respect to the claim giving rise to Licensee's indemnification obligation. In the event that the City does not consent to the terms of any such settlement or compromise, the Licensee shall not settle the claim or action but its obligation to indemnify the City shall in no event exceed the amount of such settlement. Nothing herein shall be deemed to prevent the Issuing Authority from cooperating with the Licensee and participating in the defense of any litigation by its own counsel at its own cost and expense.

9.2.3. Neither the provisions of this Section 9.2, nor any damages recovered by the City shall be construed to limit the liability of the Licensee or its subcontractors for damages under this License or to excuse the faithful performance of obligations required by this License, except to the extent that any monetary damages suffered by the City have been satisfied by a financial recovery under this section or other provisions of this License.

10. PERFORMANCE BOND

10.1. Licensee shall provide to the City, and shall maintain throughout the term of this License, a performance bond in the City's favor in the amount of Twenty-Five Thousand Dollars (\$25,000) securing the performance of Licensee's obligations under this License. The City may not attempt to collect under this bond unless thirty (30) days have passed since the City provided the Licensee with written notice of its intent to collect under this bond. If within this thirty (30) day time frame, Licensee gives written notice it disputes entitlement to payments from Licensee for which it has refused to make payment, the parties shall promptly meet to attempt to resolve the dispute in good faith amongst themselves.

10.2. Nothing shall permit the amount of the bond or any replacement bond to be less than the minimum amount required by Section 10.1 above. The Licensee shall not permit the performance bond to expire or approach less than thirty (30) days prior to expiration without securing and delivering to the City a substitute, renewal or replacement bond in conformance with applicable law. The Licensee shall not materially change the terms of said bond without the prior written consent of the Issuing Authority. Neither this section, any bond accepted pursuant thereto, nor any damages recovered thereunder shall limit the liability of the Licensee under this License. Recourse by the City of remedies available under this Section 10 shall not be exclusive of other

lawful remedies available to the City at law and equity.

10.3. There shall be recoverable by the City from the principal and surety, any and all amounts due to the City and any and all damages, losses, costs, and expenses incurred by the City resulting from the failure of the Licensee to comply with the material provisions of this License, to comply with all orders, permits and directives of any City agency or body having jurisdiction over its acts or defaults, to pay fees or penalties due to the City, or to pay any claims, taxes or liens due to the City. Such losses, costs and expenses shall include, but not be limited to, reasonable attorney's fees and other associated expenses, provided that the total of such losses, costs and expenses recovered from the bond shall not exceed the amount of Twenty-Five Thousand Dollars (\$25,000).

11. TRANSFER OF LICENSE

11.1. *City Approval Required:* Subject to Section 617 of the Communications Act (47 U.S.C. § 537) and Sections 11.2 and 11.3 below, Licensee shall not Transfer this License, voluntarily or involuntarily, directly or indirectly, to any other Person, without the prior written consent of the Issuing Authority, which consent shall not be arbitrarily or unreasonably withheld or delayed. Such consent shall be given only upon a written application therefore on forms prescribed by the Cable Division and/or the FCC.

11.2. *No Consent Required For Transfers Securing Indebtedness:* The Licensee shall not be required to file an application or obtain the consent or approval of the City for a Transfer in trust, by mortgage, by other hypothecation, by assignment of any rights, title, or interest of the Licensee in this License, the Licensee or Cable System in order to secure indebtedness. However, the Licensee shall notify the City within thirty (30) business days if at any time there is a mortgage or security interest granted on substantially all of the assets of the Cable System. The submission of the Licensee's audited financial statements prepared for the Licensee's bondholders shall constitute such notice.

11.3. *No Consent Required For Any Affiliate Transfers:* Unless required by applicable federal or State law, the Licensee shall not be required to file an application or obtain the consent or approval of the City for: any Transfer of an ownership or other interest in Licensee, the Cable System, or the Cable System assets to the parent of Licensee or to another Affiliate of Licensee; any Transfer of an interest in the License or the rights held by the Licensee under this License to the parent of Licensee or to another Affiliate of Licensee; any action which is the result of a merger of the parent of Licensee; or any action which is the result of a merger of another Affiliate of the Licensee, except to the extent that any of the foregoing are determined to be a transfer of control pursuant to 207 CMR 4.01, in which case such transaction shall be subject to the Cable Division's transfer regulations (207 CMR 4.01). However, the Licensee shall notify the City within thirty (30) business days if at any time a Transfer covered by this Section 11.3 occurs. The transferee of any Transfer covered by this Section 11.3 shall be legally qualified to hold, and shall be bound by the terms and conditions of, this License.

11.4. *Transfer Procedures:* Subject to applicable law, the Licensee shall submit to the Issuing Authority an original and a copy of the application and FCC Form 394 requesting

any such Transfer consent. Pursuant to 207 CMR 4.03, the consent of the Issuing Authority shall be given only after a public hearing to consider the written application for Transfer. The Issuing Authority shall have one hundred twenty (120) days from the filing of a completed FCC Form 394 to take final action on it unless said one hundred twenty (120) day period is extended by applicable law, including by mutual consent of the parties. After one hundred twenty (120) days, the application shall be deemed approved, unless said one hundred twenty (120) day period is extended pursuant to applicable law, including by mutual consent of the parties.

11.5. *Non-Waiver:* The consent or approval of the Issuing Authority to any Transfer shall not constitute a waiver or release of any rights of the City under this License, whether arising before or after the date of said Transfer.

11.6. *Transferee Subject to Terms and Conditions of License:* In the event that this License is transferred, the transferee shall be subject to all of the terms and conditions contained in this License.

12. RENEWAL OF LICENSE

The City and Licensee agree that any proceedings undertaken by the City that relate to the renewal of this License shall be governed by and comply with the provisions of Section 626 of the Communications Act (47 U.S.C. § 546), and the applicable provisions of the Massachusetts Cable Law.

13. ENFORCEMENT AND TERMINATION OF LICENSE

13.1. *Notice of Violation:* If at any time the Issuing Authority believes that Licensee has not complied with the terms of this License, the Issuing Authority shall informally discuss the matter with Licensee. If these discussions do not lead to resolution of the problem in a reasonable time, the Issuing Authority shall then notify Licensee in writing of the exact nature of the alleged noncompliance (for purposes of this Article, the “Noncompliance Notice”).

13.2. *Licensee’s Right to Cure or Respond:* The Licensee shall have thirty (30) days from receipt of the Noncompliance Notice to: (i) respond to the Issuing Authority, if Licensee contests (in whole or in part) the assertion of noncompliance; (ii) cure such noncompliance; or (iii) in the event that, by its nature, such noncompliance cannot be cured within such thirty (30) day period, initiate reasonable steps to remedy such noncompliance as soon as reasonably possible and notify the Issuing Authority of the steps being taken and the date by which they are projected to be completed, all of which shall be to the reasonable satisfaction of the Issuing Authority. If the Licensee believes it has cured the subject non-compliance, it shall provide written notice of such to the Issuing Authority. The Issuing Authority shall provide the Licensee with a written response as to whether such cure has been effected.

13.3. *Public Hearing:* In the event that the Licensee fails to respond to the Noncompliance Notice pursuant to the procedures required by Section 13.2 above, or in the event that the alleged noncompliance is not remedied within thirty (30) days or the date projected pursuant to Section 13.2(iii) above, and if the City seeks to continue its investigation into the

alleged noncompliance, then the Issuing Authority shall schedule a public hearing. The Issuing Authority shall provide the Licensee with the following minimum written notice of such public hearing, which will specify the time, place and purpose of such public hearing, and provide Licensee the opportunity to be heard: (i) for a hearing for which the Issuing Authority states in the written notice that that revocation of the License shall not be a possible consequence – thirty (30) days written notice, and (ii) for a hearing for which the Issuing Authority does not state in the written notice that that revocation of the License shall not be a possible consequence – forty-five (45) days written notice.

13.4. *Enforcement:* Subject to applicable federal and State law, in the event the Issuing Authority, after the public hearing set forth in Section 13.3, determines that Licensee is in default of any provision of this License, the Issuing Authority may:

13.4.1. Seek specific performance of any provision, which reasonably lends itself to such remedy, as an alternative to damages;

13.4.2. Commence an action at law for monetary damages or seek other equitable relief;

13.4.3. Submit a claim against an appropriate part of the performance bond pursuant to Section 10 above;

13.4.4. In the case of a substantial noncompliance of a material provision of this License, revoke this License in accordance with Section 13.5; and/or

13.4.5. Invoke any other lawful remedy available to the City.

13.5. *Revocation Hearing:*

13.5.1. At the designated public hearing in which revocation is a possible consequence, the Licensee shall be provided a fair opportunity for full participation, including the rights to be represented by legal counsel, to introduce relevant evidence, to require the production of evidence, to compel the relevant testimony of the officials, agents, employees or consultants of the Issuing Authority, to compel the testimony of other persons as permitted by law, and to question and/or cross examine witnesses. Unless otherwise agreed to, in writing, by the parties, a complete verbatim record and transcript shall be made by the Issuing Authority of such hearing with the cost shared by the parties.

13.5.2. Following the public hearing where revocation is a possible consequence, the Licensee shall be provided up to thirty (30) days to submit its proposed findings and conclusions to the Issuing Authority in writing and thereafter the Issuing Authority shall determine (i) whether an event of default has occurred under this License; (ii) whether such event of default is excusable; and (iii) whether such event of default has been cured by the Licensee. The Issuing Authority shall also determine whether it will revoke this License based on the information presented, or, in the reasonable discretion of the Issuing Authority, grant additional time to the Licensee to effect any cure. If the Issuing Authority determines that it will revoke this License, the Issuing Authority shall promptly provide Licensee with a written determination

setting forth the Issuing Authority's reasoning for such revocation. In accordance with applicable law, Licensee may appeal such written determination of the Issuing Authority to the Cable Division or to an appropriate court, which shall have the power to review the decision of the Issuing Authority de novo if permitted by applicable law. Licensee shall be entitled to such relief as the Cable Division or court finds appropriate. Such appeal must be taken within sixty (60) days of Licensee's receipt of the written determination of the Issuing Authority.

13.5.3. The Issuing Authority may, at its sole discretion, take any lawful action that it deems appropriate to enforce the Issuing Authority's rights under this License in lieu of revocation of this License.

14. MISCELLANEOUS PROVISIONS

14.1. *Actions of Parties:* In any action by the City or Licensee that is mandated or permitted under the terms hereof, such party shall act in a reasonable, expeditious, and timely manner.

14.2. *Binding Acceptance:* This License shall bind and benefit the parties hereto and their respective receivers, trustees, successors and assigns, and the promises and obligations contained in Article 9 – Insurance and Indemnification and Article 10 – Performance Bond - herein shall survive the revocation, termination or expiration date hereof.

14.3. *Preemption:* In the event that federal or State law, rules, or regulations preempt a provision or limit the enforceability of a provision of this License, such provision shall be read to be preempted to the extent and for the time, but only to the extent and for the time, required by law. In the event such federal or State law, rule or regulation is subsequently repealed, rescinded, amended or otherwise changed so that the provision herein that had been preempted is no longer preempted, such provision shall thereupon return to full force and effect, and shall thereafter be binding on the parties hereto, without the requirement of further action on the part of the Issuing Authority.

In the event that any such delay in performance or failure to perform affects only part of the party's capacity to perform, the party shall perform to the maximum extent it is able to do so in as expeditious a manner as possible under the circumstances.

14.18. *City's Right of Intervention:* The City hereby reserves the right, as authorized by applicable law and/or regulation, to intervene in any suit, action or proceeding involving this License, or any provision in this License; provided, however, that this section shall not restrict the right of the Licensee to oppose such intervention, pursuant to applicable law.

14.20. *Interpretation:* The City and Licensee each acknowledge that it has received independent legal advice in entering into this License. In the event that a dispute arises over the meaning or application of any term(s) of this License, such term(s) shall not be construed by the reference to any doctrine calling for ambiguities to be construed against the drafter of the License.

14.21. *Jurisdiction:* Except as otherwise set forth in this License, exclusive jurisdiction and venue over any dispute arising out of this License shall be in a court of appropriate venue and subject matter jurisdiction located in the Commonwealth of Massachusetts, and the parties hereby agree to be subject to the personal jurisdiction of said court for the resolution of any such dispute. This provision is not intended to limit the right of either party to remove a matter to Federal or State court in Massachusetts as permitted by law.

14.22. *Counterparts:* This License may be executed in counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument.
